Funeral Services

L. J. Fraser, 59

Funeral services were held Wednesday morning at the First Methodist Church in Pahokee for Lewis J. Fraser, 59, who died suddenly Sunday night in the local hospital following a cerebral hemorrhage. Rev. John A. Briley officiated and interment was at Port Mayaca cemetery with the Elks Lodge in charge of graveside ceremonies.

Mr. Fraser was vice president and general manager of W. H. Vann, Inc., local produce and brokerage concern. He had been connected with the concern for many years following employment by U. S. Sugar Corporation at Bryant for many years.

Mr. Fraser was a charter member of the Pahokee Elks Lodge and held life membership therein which was voted him in 1956. He served as exalted ruler of the local lodge 1945-46. In 1954-55 he served as District Deputy Grand Exalted Ruler.

He was a member and official of the First Methodist Church in Pahokee.

The deceased was stricken Sunday while on a Father's Day outing with his wife and daughter, Mrs. William Davenport of Brandon, and Mr. Davenport and two grandchildren. They were returning from Fort Myers and were sightseeing in Immokalee when he was first stricken. His condition grew gradually worse until they reached Pahokee where he was hospitalized with the end coming around 11 o'clock.

Besides the widow, Christine, and daughter Mrs. William Davenport and her two children, Debbie and Terry, the deceased is survived by three sisters, Mrs. Carl Roberts of Fort Myers, Mrs. C. D. Kaufman of Cleveland, Ohio and Mrs. William Hansel of Palm Harbor.

Palbearers for the funeral were Leon Spooner, Rupert Mock, Lewis Friend, Frank Gillis, J. S. Barwick and Dr. E. J. Graham. Wetherington Funeral Home directed the funeral.

Pahokee To Fence 18 In. Water

The Pahokee City Council adopted a new safety measure at their regular meeting on Monday night. They voted at the meeting that all swimming pools, ponds and other bodies of water more than 18 inches deep should be enclosed by a fence of not less than four feet in height.

The new statute was drawn up by Attorney Ralph O. Johnson and City Clerk I. M. Lair said the measure was adopted as a safety precaution for the small children of the town. The new ordinance went into effect immediately as all five city councilmen signed the ordinance.

Any failure to abide by the new ordinance could mean a fine of \$500 and a 60-day jail sentence, according to the discretion of Mayor Judge Duncan Padgett.

Other groups are expected to donate as usual.

As is the custom the Lions will serve barbecue dinners in an effort to raise money for their sight fund. The meal will be served at the Lions club building, which is air conditioned, and at the Boy Scout Beach across the dike from the water plant. Dinners will cost adults \$1.50 and a child's plate will be \$1.00.

Incoming president of the Lions club Lewis Collins, Jr., next Tuesday will name a committee to prepare and serve the barbecue.

For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. And we must support them by buying U.S. Savings Bonds."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Why should you buy
 U. S. Savings Bonds when there are
 so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
